

Parental Involvement and Cooperation

Parents are asked to participate a minimum of 10 hours during the school year in various function and duties. These hours can be filled in attending open school board meetings, PTO meetings, supporting teacher and administrator events and projects, or other activities and events.

Union Christian Academy’s educational mission involves working with the home in the overall Christian education of students. On occasion, this cooperation between the school and home my become difficult. To avoid such situations, and for parents to maintain their child’s enrollment, the school requires that parents support the following statements.

As a parent of a student of Union Christian Academy, I agree to support the school with my prayers and positive attitude. Complaints or negative comments will be shared only with the teacher, administrator of the school, or person involved and not with my child or other people, following the Matthew 18 principle.

I understand that if at any time the school determines, at its sole discretion, that my actions do not support the ministry, or reflect a lack of cooperation and commitment to the home and school working together, the school has the right to request withdrawal of my child.

Upon enrollment, I agree to pay all expenses incurred such as tuition, fees, lunch fees, library fees, athletic fees, etc. regardless of whether my students actually attend UCA during the year.
