

UCA Quarantine Guidelines  
August 15, 2022

UCA Quarantine Guidelines will be based on a confirmed Covid positive case.

1. Positive Case: Individual tests positive for Covid  
Individual must quarantine for 5 days counting the day he/she tests positive.  
Individual may return to school on Day 6.  
Individual must be fever free when returning to school. If not fever free, quarantine will be extended.
  
2. Close Contact  
*Close contact of a case is a person who was within six feet for more than 15 minutes from an individual testing positive.*  
No quarantine is required for the individual.  
It is recommended the individual takes a Covid test on Day 5.

*Please note we reserve the right to make changes to this policy when necessary.*
